

CORPORATE VALUES

We strive to gain a deep understanding of customer needs and work to provide our clients with a comprehensive fabrics solution along with timely delivery of the orders. We are guided by the following values enshrined in our corporate culture:

Focus on Customer Satisfaction

We maintain close focus on a select group of customers, such that they place their trust in us, creating the opportunity for mutual growth in keeping with our vision and mission. We care deeply about our customers and strive to deliver increasing value to them by ensuring high quality services and emphasizing long-term business relations.

Developing Capable Employees

Hiring and developing outstanding people are a management priority. Our success depends on the capabilities of people with initiative beyond defined roles, having high integrity, taking full responsibility on tasks, behaving and communicating in an honest, candid and ethical manner, while possessing a sense of belonging, pride and eagerness to grow with the organization.

Healthy Work Environment

We nurture a work environment where the diversity of our people is valued and all individuals can realize their full potential to grow and develop their career to the highest realizable level, irrespective of their backgrounds.

Focus on Team Work & Organizational Management

We leverage teamwork to succeed in a complex and competitive environment, and believe that good organizational strategy is paramount to full fill customer needs and our mission.

Sharp Focus on Growth Opportunities

We only target new business activity that gives us an opportunity to grow and contributes long-term healthy engagement with the company. Additionally, we refrain from accessing business that compromises a thriving and honest business relationship with an existing customer.

Enhancing and Maintaining Reputation

We relentlessly pursue excellence to become a top wrung logistics service provider. We conduct business based on our capability to provide best-in-class service, creating a conducive environment for our customers to operate in, hence nurturing a long-term symbiotic relationship. We consider ourselves members of society as much as a part of the community we do business in.

Optimal Capital Resource Management

We nurture and develop professionals having an economic sense, with a view to have them ensure optimal capital resource management and allocation. We use our capital resources to improve our services to our customers and provide a healthy and comfortable work environment to our employees.

Directors Appointment Letter Integrity

Integrity is everyone's responsibility and is never compromised at Seven Islands Shipping Ltd. We operate with a conscience at all times and each employee is expected to maintain a high standard of ethics when dealing with each other as well as with customers and suppliers.
